

# Interconnected visions

SEMINAR

**2nd Edition of UNDER TRANSITION  
Seminar by PhD in  
Design & Technology.  
People, Environment, Systems.**

**May 14th, 2025**

**3:00 PM**

**Lingotto venue**, Via Nizza, 230 - 10126 Torino

**Room 301, 3rd floor**

INTERCONNECTED VISIONS is an opportunity to discuss the complexity of the approach to the themes of TRANSITION, overcoming the hyper-specialization/closure of one's skills in favor of a Transversality that the D&T Doctorate recognizes as fundamental in the transformation processes.

**Special guests:**

**Emanuele Naboni**, Professor of Architectural Technology and Urban Design at the University of Parma and at the Royal Danish Academy.

**Camilla Colucci**, Co-founder & CEO of Circularity S.R.L., expert in circular ecosystems.

**Valentina Porcellana**, Professor of Anthropology at the University of Valle d'Aosta.

**Alan Perotti**, CentAI Institute and Deep Learning Italia, expert in AI and its ethical implications.

**PROGRAM**

**3:00 PM**

Greetings and introduction  
Guests' presentations

COFFEE BREAK

**5.00 PM**
